year 2008-09 after 23rd August, 2008 as there is no scope for repeating the counseling for the above said programmes starting from rank 1 onwards in any subsequent phase of counseling and if colleges have to be included at this stage in the counseling process by repeating the whole counseling from rank 1, i.e., in order of merit, it would cause undue delay in completing the admission process and commencing the class work for the academic year 2008-09. Hence no action has been taken at Government level, on the proposals of the Commissioner of Technical Education received after 23.8.2008 for according approval for setting up new Engineering / Pharmacy / MBA / MCA colleges or for variation of intakes / introduction of new courses in existing colleges.
